### IMPORTANT REMINDER!

Students with life threatening health conditions (allergies, asthma, etc.) must **meet with the school nurse** and have medications at school **BEFORE** they can start school.

For 2017-2018, all students who may need medications at school must have the medications and doctor orders in the main office by **Tuesday, August 22** to guarantee the student can start school on September 6.

Please call our school nurse, Tammy Beddoe, at 425-431-1070, to schedule an appointment.

This is a basic list of supplies your child will need. School's estimated start date is **Wednesday, September 6 (watch the Edmonds School District website to learn when contract bargaining is complete and dates are final)**. We are hoping this list will help you take advantage of back to school sales, and only purchase necessary items. After school starts, individual teachers may send home requests for items specific to their classroom.

PTA sponsors a drive to fill backpacks for students whose families may need financial assistance. If you can purchase one or two extra items from this list to donate, please drop them off at the school office. Thank you, families!

**PLEASE JOIN US FOR "MEET YOUR TEACHER HOUR" TUESDAY, SEPTEMBER 5, 2:00 to 3:00 pm**
