2017 FREE SUMMER READING PROGRAMS

The Martha Lake PTA has compiled a list of free summer reading programs to keep your child excited about reading throughout the summer. If your child does not continue to read during the summer, their reading level may slide by their return to school in the fall (known as the “summer slide”).

Students should continue to read 20 minutes five days a week.

The same book/minutes read can count towards any/all programs.

THE FOLLOWING PROGRAMS HAVE THE READING LOGS ATTACHED (*):

* The reading logs described on this page were sent home with MLE students on 6/20/2017.
